

# Unit 4.2: Protest

## Worksheet B

### Activity 2.13

Complete the chart below for the statements used on signs protesting against US President Donald Trump.

Each person in the class should complete the information for a different phrase.

Do an online search to learn more about the contexts in which your phrase was used, and present your findings to the class.

Protest statement	Context in which it was used	Connections to other texts	How is the meaning dependent on another text and context?
